

ABOUT US

The Thai-Australian Association of Western Australia Inc. was established in 1980 to foster cultural understanding between Thai and Australian people.

The roles of the Association are:

- To assist with settlement of Thai migrants and visitors to Western Australia;
- To provide a network of support and social links within the Thai community in Western Australia;
- To act as a referral point for Thai residents of Western Australia with social issues including domestic violence and family problems;
- To provide information to Thai residents of Western Australia about sources of legal and migration advice about qualified persons.

The Association currently provides a number of informal services (including advice, mediation, advocacy and support) to its financial members and to other members of the Thai community in Western Australia., The association also arranges functions of particular interest to members and their families and members of the general community and provides opportunities for members of the Thai community to share their interests and culture with other West Australians.

Our Services

Currently, the Association provides advice, mediation, advocacy and support services for members of the Thai community in Western Australia on an informal, "as required" basis. These are usually provided by the current president and other committee members.

A program of cultural and educational courses encompassing –

- Thai language and culture,
- Thai cooking and vegetable carving, and
- Thai dancing

Has been developed under the Community Grants Program and are partly funded by grants from the Office of Citizenship & Multicultural Interests. The focus of these courses is to promote multicultural harmony and positive interaction among people of diverse religious, cultural and ethnic backgrounds.

The three courses each involve 2 hour classes over a 10 week period at Australia Asia House at 275 Stirling Street, Perth. Details of these courses to be advised.
